- Fully Executed Closing Disclosure

About the Owner

Name: _____

Address: _____

Builder's Information

- Check here if meter installation is required
Meter Size: _____

Security Deposit Information

This deposit and any additional deposit that will be required shall constitute a guarantee that all sums due the City for furnishing water and/or sewer services are fully paid. The City shall, upon permanent disconnection of water services, refund any deposit remaining after deducting all amounts due the City for such services. Furthermore, the deposit shall not preclude the City from discontinuing for non-payment any and all services regardless of the sufficiency of the deposit to cover such indebtedness.

I understand that any unpaid balances after termination of service is subject to additional costs related to collection of monies, including attorney's fees, owed to the City of Coconut Creek.

The account holder is responsible for contacting the City either by telephone or in writing to close their water/sewer account.

I hereby request that the City of Coconut Creek furnish water and wastewater (sewer) service to the premises until notification of permanent termination of service.
